- c) with up to 100% of the entry fee in penalty after the opening of registration (percentage at the Organizer's discretion).

The withdrawal shall be made to the Organizer by email or by telephone. An entrant or competitor accepted to take part in a competition who withdraws other than in the above manner or who does not take part in that competition but takes part in another on the same day may be held in violation of these GCR's.

Refunds will be processed the week after the event and all credit card payment will be subject to a 5% fee.

11. Start Order

Starting order will be determined in accordance with the CARS CGR&R 21.2.15 and the RSO seed list. The determining of the start order is open to the public and will take place during the Maple Leaf Rally Club video meeting on July 26, 2022 at 20:00.

12. Descriptive Stage Notes

The Black Bear Rally will **not be offering** Organizer-written Descriptive Stage Notes to competitors.

13. Eligibility and Documentation

13.1. Crew

Eligibility is as per CARS GCR&R 11, Eligibility of Crew.

A completed CARS Registration Form / Waiver must be signed by the Driver, Co-driver and Entrant by 2359 Saturday July 30. All applicable documents must be self declared (CARS GCR&R 11.2.1) and must be valid on the day of the event. Rally licenses must be obtained prior to the rally.

Competitors licensed by foreign ASNs; Rally America (RA), American Rally Association (ARA) or National Auto Sport Association Rally Sport (NASA) may compete in CARS sanctioned events using their licenses and their sanctioning body's competitor eligibility regulations. NASA, ARA or RA license holders must also have a CARS entry permit, which is available through the CARS office or through the CARS representative at the event.

13.2. Vehicles

Eligibility is as per CARS GCR&R 12, Vehicles and Equipment. Garage and dealer plates are not allowed on rally cars in the Province of Ontario. Vehicles registered in the United States are acceptable provided the driver is competing on a CARS entry permit and that it meets the requirements of current RA / NASA / ARA Rally Regulations. These vehicles shall be classified according to CARS vehicle class regulations.

14. Service Park and Refueling

There will be a Service Park located at Rally HQ used for all service. The Service Park will open at 1600 hrs on Friday, August 5th, and close at 2200 hrs on Saturday August 6th. For the appropriate trailer parking area see Figure 1. Please check in with the Service Area Manager at the event.

NOTE: A tarp at least as large as the vehicle is required under the vehicle while the vehicle is parked in the service area. A \$50 penalty will be levied on each team not complying in this regard. Please remove all belongings and garbage after the event.

All Service Crews must have at least one fire extinguisher with a minimum UL rating of 40BC or two fire extinguishers with a minimum UL rating of 20BC each in their respective service area. The fire extinguisher(s) shall be easily accessible and in an area visible to anyone within the team's respective service spot. If requested by an official, evidence must be produced that fire extinguishers have been purchased or recharged

within the preceding two years. – See CARS GCRs and NRRs 18.1.9. Organizer will assess a \$50 fine for failure to meet these requirements.

There will be a designated refuelling zone at the exit of the Service Park. When the refuelling zone is open, refuelling must occur within it. The refuelling zone will be open during the rally as identified in the Official Route Book.

15. Technical Inspection

Technical Inspection will be done on Friday August 5 from 1730 to 2100 and Saturday August 6 from 0700 to 1000 with the scrutineering teams visiting each competitor's service area. Each competitor will be provided with a checklist upon registration and must have all required items left with the vehicle before going out on Recce.

In the event of inclement weather a central location at the Rally HQ will be setup and Technical inspection will be on a first come first served basis. Time for Technical Inspection may also be adjusted in this case.

Technical Inspection will be available on Saturday morning by appointment only. Competitors must present their vehicle log books during technical inspection. **Log books will not be available at the event.** Log books are available from the CARS Regional Director (CARS CGR&G 12.8). Competitors whose vehicles have not been issued a log book, may contact the Chief Scrutineer (Section 3) prior to the posting of the start order for instructions.

16. Vehicle Tracking

There will be no electronic tracking of rally cars.

17. Optional Reconnaissance

A reconnaissance of all stage roads will be provided on Saturday, August 6, 2022 from 0715 to 1030 as per the schedule to be provided. All competitors will be allowed to participate. Reconnaissance will be done in provided windows, with recce for Loom Lake Road being in convoy only. Details will be provided to competitors before the event in order to assist in planning on creation of these notes.

A brief meeting will be held at rally headquarters prior to the reconnaissance session to provide teams with final instructions and schedule beginning at 0715 on Saturday August 6. Recce participants must register their reconnaissance vehicles before being allowed to participate. Vehicle identification numbers must be placed on the vehicles in the designated area.

Prior to the event each registered team will receive a recce package outlining the stage and recce routes in order for them to organize past stage notes and to plan for the recce.

The timed recce is intended to allow teams to create their own stage/pace notes. Under no circumstances is this to be considered practice. A maximum of one vehicle per team is permitted, however two or more teams may carpool in a single vehicle if they wish.

Vehicles intended for use in the rally are not permitted in the reconnaissance however exceptions may be made on a case by case basis in consultation with the Coordinator and Senior Steward. Street legal, non-competing, unobtrusive vehicles are preferred. Tires suitable for the conditions are recommended. During the reconnaissance, competitors must comply with the traffic laws of Ontario, CARS requirements and these regulations including bulletins. Sliding of the vehicle, failure to remain in the proper lane, aggressive driving, and speeding, driving in the opposite direction to rally traffic or backing up on a stage road are not permitted. Please be respectful of the safety and rights of local traffic and of the image of the rally.

The maximum speed limit on a stage road during reconnaissance is 60 km/h unless otherwise posted lower.

The speed limits will be enforced by radar marshals that will be monitoring both stage and transits in various locations throughout the day. Radar detection equipment is illegal in Ontario, and its use during recce is not permitted.

Failure of a competitor to obey the speed limit or the rules defined above will result in a fine being levied and may also result in the exclusion of the competitor from the event as follows:

First Offence*:

- \$100 fine in cash.
- Meeting with the event stewards who will review the infraction. Stewards could impose exclusion and forfeiture of entry fees.

Second Offence*:

- \$250 fine in cash.
- A meeting with the event organizer and stewards who will review the infraction. Stewards could impose exclusion and forfeiture of entry fees.

All Fines are doubled if the infractions occur while using a performance vehicle intended for use in a rally.

Competitors are also reminded that practicing of the route **within 60 days** of the event is specifically prohibited under CARS GCRs and NRRs 17.8.1 with the exception of the official reconnaissance. Unauthorized practicing may result in additional penalties per CARS GCRs and NRRs 7.4.

18. Timing and Safety Rules

Timing of the rally will be as per the CARS timing system, (CARS GCR&R 15). Competitors should read this section carefully. Electronic stage timing will be utilized.

Use of Safety Warning Devices is described in CARS GCR&C 17.9. Remember, safety is paramount, and stages are hot until stopped by a red cross or the organizers.

Please note both GCR&R 15.10 (Route Obstruction / Loss of Stage Security) and 15.13 (Interruption of a Special Stage).

19. Re-Starting the Rally

Restarts will be allowed following the OPRC Rules and Regulations section 6. Conditions for a Restart as OPRC RR section 6.2 must be met without exception. Upon a restart, a stage slow time plus a five-minute penalty will be assessed as per OPRC RR 6.3.

20. Awards

A complete list of awards will be posted on the Official Notice Board prior to the opening of Registration. Trophies will generally be awarded to the top two in each class and to the top three provided that a minimum of five entries has been received.

Awards will be presented when the results are declared final following the podium.

20.1 OPRC Sponsorship

Black Bear Rally is included in the **Ontario Motor Sales/Clarington Hyundai and Enercare Home Services/Martin Air Heating** sponsorship of the OPRC series, with monetary awards, for both individual events and the complete 2022 OPRC series, being presented. \$4,500 is available to be won at Black Bear. Details are available at oprc.online.

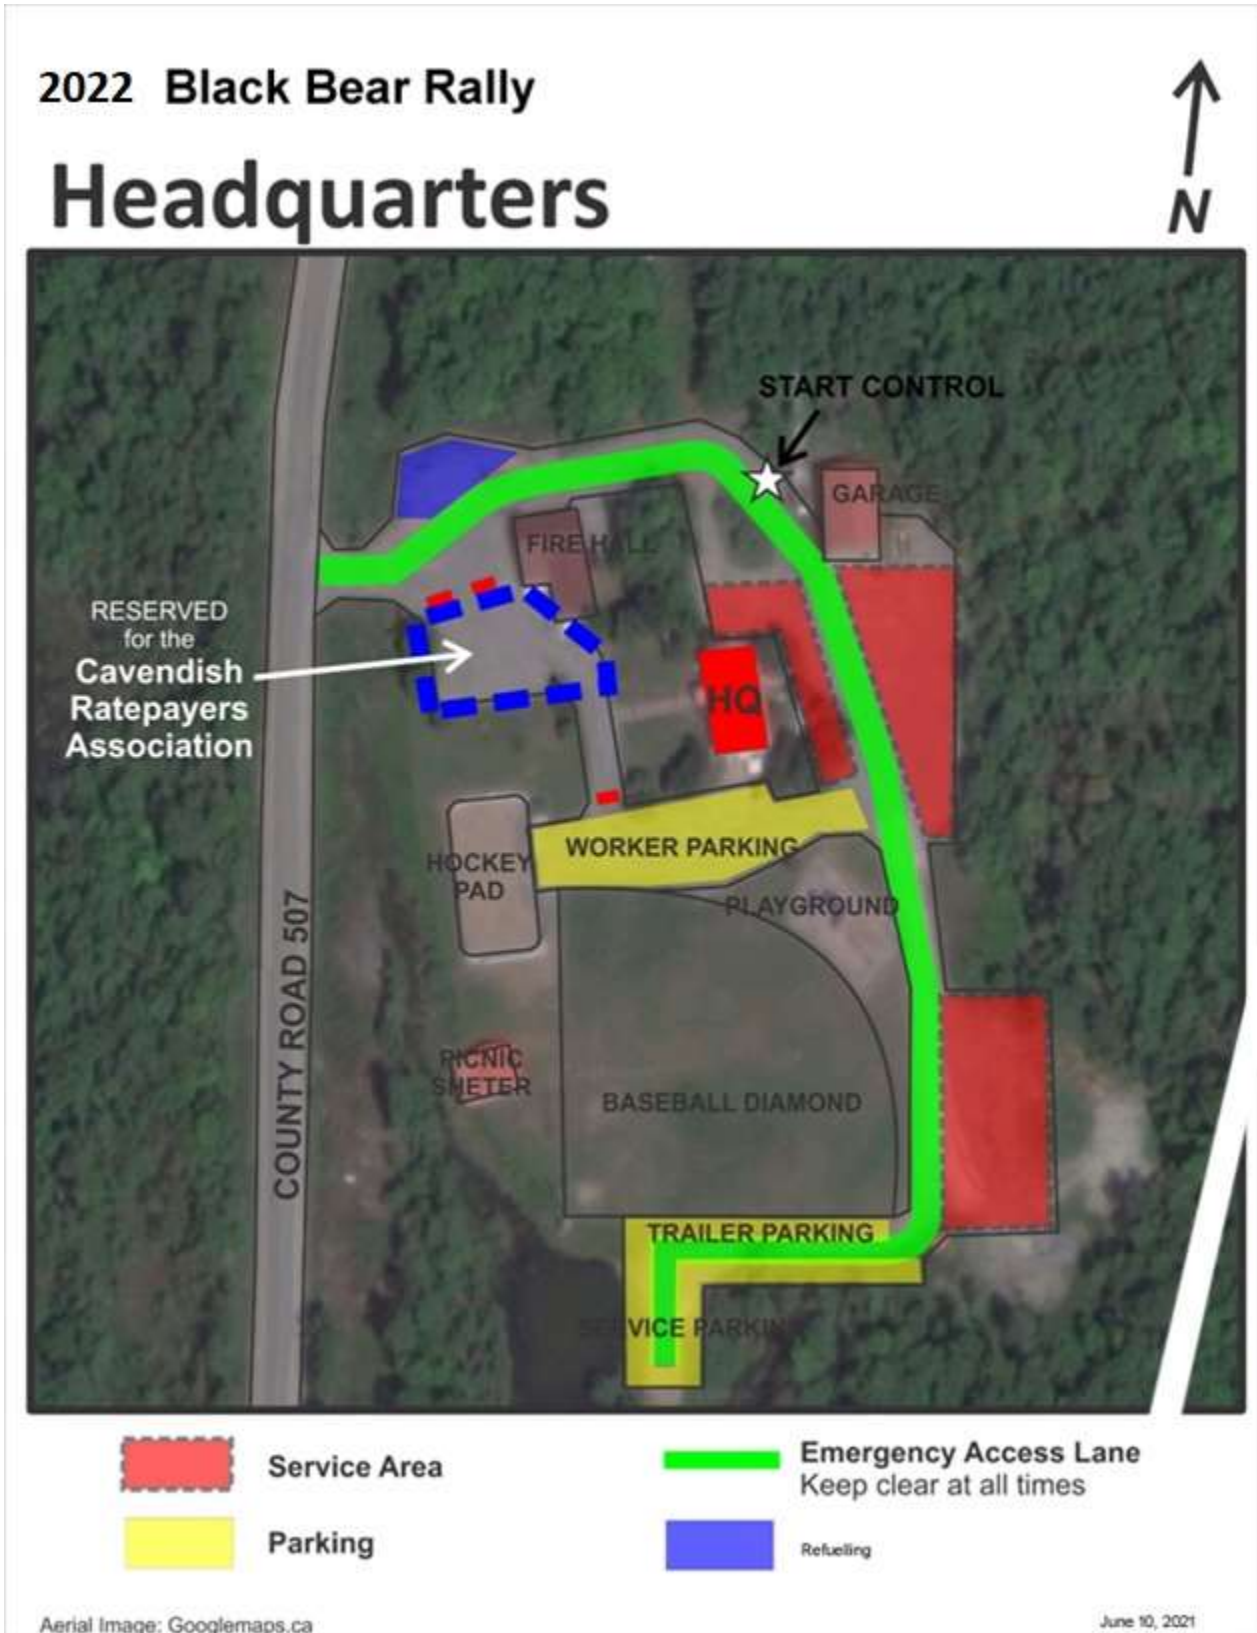

21. Accommodations

There are a number of accommodations available in the area. The Bobcaygeon website <https://www.bobcaygeon.org/hotels-motels--inns> provides a number of area accommodations.

22. Miscellaneous

- a) It is requested that Competitors and Service Crews refrain from using two-way radios near event radio cars as this may interfere with official rally communications.
- b) Competitors and Service Crews are reminded that consumption of alcohol is not permitted until the event is complete, the competitor DNFs or checks into Parc Fermé at the Finish. (CARS GCRs and NRRs 5.11).
- c) Do not bring alcohol into the Community Centre from an outside source, as this is in violation of LCBO and AGCO regulations.
- d) Event Officials, CARS Officials, Stage Captains, Control Marshals and other event marshals shall be considered Judges of Fact. As per the GCRs 6.3 facts, other than those listed, shall be:
 - Early arrival in a Control Zone
